BOOKING INFORMATION

-PREMIUM BLACK & GREY TATTOOING-

Thank you for showing interest in booking in with me. This sheet contains all the necessary information and steps required to secure a booking. Please read everything so that you are fully informed on the entire process.

Whilst I would love to tattoo all of you, unfortunately I cannot take on every single request. My heart and soul goes into my work, so I only take on the work which I deem suitable for my tattooing style and workflow.

Thank you for understanding.

GENERAL INFO

My day rate is **£800** and a deposit of **£200** must be paid via bank transfer to secure an appointment. The deposit information has its own section further down this document.

If you haven't paid a deposit, you don't have a booking.

My working days are **TUESDAY - FRIDAY**.

I am booking appointments for: **MARCH / APRIL / MAY 2026**.

*For large-scale work, I strongly recommend sitting two days in a row. This is because we can smash the tattoo out all in one go, skipping the awkward 'half-finished' stage between sessions (ideal for both of us!). I also find myself having more focus with the tattoo knowing I have two consecutive days to finish it, rather than breaking it up and disrupting my commitment to the piece.

It might sound intimidating sitting consecutive days, however it is much easier than you think and almost every client manages to sit through it. I myself sit multiple days in a row most of the time when I get tattooed and I find it just fine.

As an incentive, I offer a £100 discount per day for consecutive day sittings - meaning you save £200 on your tattoo if you sit two days in a row.

I will personally advise you if your tattoo will require more than one session to complete.

YOUR REQUEST

In your message, please include a brief (but thorough) description of the tattoo you wish to get. Please include specific details (if any) and where you would like to get the tattoo on your body. Please include reference photos if you have any.

Generally speaking, I work best when I'm just given a theme and creative freedom with that theme rather than highly specific personal work; e.g 'skull forearm tattoo', 'Japanese leg sleeve' or 'abstract portraiture' are good tone-setters.

Highly specific requests can often limit my creativity and impact the standard I like to meet with my work. I therefore kindly ask you to be as open-minded as possible when booking in with me.

*I also prioritise free-rein work and have pre-made 'wanna do' designs ready to go, so let me know if you're interested in any of these as I tend to do them at a discounted price as an incentive.

This step is important -

please include clear photographs of the area you would like to get tattooed.

Make sure your body is in a neutral, relaxed position (no flexing or raised limbs) and make sure the photo is taken at a head-on angle with the body area central in frame.

These photos are specifically used for design purposes. They allow me to see the shape and size of the area, identify contours which may warp the design, and if there are any other surrounding tattoos which I will need to blend with etc.

To minimise confusion, please see the example photos below:

PLEASE SEND YOUR REQUEST VIA EMAIL TO:

BLOODHOUNDTATTOOSTUDIO@GMAIL.COM WITH SUBJECT 'CHARLIE MOSS'.

*I am not taking requests via social media and these messages will be ignored.

DEPOSIT

PLEASE DO NOT PAY THE DEPOSIT UNTIL I HAVE DIRECTLY SPOKEN TO YOU FIRST AND AGREED TO TAKE ON YOUR REQUEST

As stated before, a deposit **must** be paid in order to confirm an appointment with me. The deposit contributes towards the full cost of the tattoo and the remaining balance is to be paid in cash on the day of your appointment. The deposit is usually £200 per session booked unless stated otherwise (I will confirm this with you during our discussion).

Please note this is **non-refundable**, but it guarantees your appointment and it is fully transferable between dates if you wish to reschedule as long as you give me at least 1 week notice before your scheduled appointment.

If you cancel or reschedule less than a week before your scheduled appointment then your deposit will be forfeit and another deposit is required to rebook your session. This is to cover my loss of earnings if a last-minute cancellation occurs as I am highly unlikely to fill your day with other work at such short notice.

Paying the deposit means you understand and agree to the above information.
Pay to:

BLOODHOUND TATTOO STUDIO

SORT CODE: 04-06-05

Please notify me directly and immediately after you have paid the deposit. I will check my bank and book you in on our agreed date right after receiving the money.

THANK YOU FOR YOUR COOPERATION

I sincerely appreciate your time and I'm looking forward to working with you!
